

On-Shore Oil & Gas Extraction

Insurance for Oil and Gas Industry

BITCO is an energy insurance specialist, providing insurance for the oil and gas industry for more than 70 years.

BITCO specializes in offering insurance policies to companies involved in on-shore production of petroleum and natural gas, including insurance for operators, drillers and contractors located from the Rocky Mountains to the Appalachian Basin.

Businesses We Serve

- Oil and gas lease operators
- Oil and gas lease contractors (surface)
- Well servicing contractors (downhole)
- Drillers (conventional)

Highly trained BITCO insurance agents specialize in finding coverage for energy-production businesses and stay on top of the ever-changing challenges you encounter in the oil and gas industry.

We use our understanding of this complex industry to create an insurance policy that is tailored to fit the unique risks involved in operating your business.

Types of Insurance for Oil and Gas Industry

- Workers' Compensation

Customer Characteristics

BITCO has a long and proud history of meeting the insurance and risk control needs of your industry. We have safety dividend groups with some of the most prominent trade associations that cater to your concerns and a well-established reputation in helping entities engaged in onshore oil and gas exploration address their insurance and risk management needs.

A demonstrated commitment to controlling losses and a documented history of safe operations and protection of your work force makes you an ideal candidate for our programs. If you are looking for an insurance carrier who will work with you to help protect you from the financial impact of losses and assist you with maintaining the business reputation as a safety conscious business operation and employer you have worked so hard to build, BITCO would like to be your insurance provider.

Choose BITCO as Your Insurance Partner

When you're searching for an insurance policy, you should be aware of the ability of the company you choose to pay a claim. BITCO's outstanding financial ratings are an indicator of our ability to offer you and your business security and prompt claims payments. We're proud to have earned and maintained a rating of "A+" Superior by A.M. Best.

Also, BITCO is a member of the Old Republic Insurance Group, one of the nation's 50 largest publicly held insurance organizations.

Backed by the strength of Old Republic Insurance Group

Our expertise in the oil and gas industry -- and our network of insurance agents that focus on on-shore operators, drillers and contractors -- gives us a huge advantage in creating an insurance policy tailored to your business. That combined with our strong financial standing and backing, shows we are the ideal insurance company to protect you, your employees and your business.

We're ready to prove we're a long-term partner you can count on. Put our oil and gas insurance brokers expertise to the test. Contact a BITCO agent for options and a quote today.
